5% DISCOUNT IF ORDERED BEFORE AUG. 15th

To ease off our busy fall packing season, we are offering an extra 5% discount on all orders received before August 15th. Each order will be packed, stored in our scientifically cooled Bulb House and shipped to you prepaid at planting time. To save an extra 5%, send in your order promptly!

Flowerfield at World's Fair

Be sure to visit our booth in "Gardens on Parade" at the New York World's Fair 1939. We'll be glad to listen to your problems and give you expert advice on planting, fertilizing, etc.

If you haven't seen them yourself, you've read about them — those gorgeous tulip displays that are such a sensational success at the New York World's Fair! Donated by the Holland Bulb Industry and arranged by the country's leading landscape artists, these long-stemmed, vivid beauties have set a new fashion in gardening that will be picked up by gardeners everywhere!

And you can duplicate these displays in your own garden—either completely or on a modest scale! For tulips are easy to grow and require but minimum care. But — for a successful tulip planting—your bulbs must be strong, healthy and top size.

For beds, border or spot planting, FLOWERFIELD's World's Fair Exhibited varieties will give you the same rich effects you saw at the "World of Tomorrow".

All are guaranteed top grade; big — and at prices lower than we have ever offered them before. Check off your selection on the coupon below; tear it off and mail it in today!

TEAR OFF THIS COUPON

Make Your Selection from these 16 DARWINS
